PLNU Mission

To Teach ~ To Shape ~ To Send

Point Loma Nazarene University exists to provide higher education in a vital Christian community where minds are engaged and challenged, character is modeled and formed, and service becomes an expression of faith. Being of Wesleyan heritage, we aspire to be a learning community where grace is foundational, truth is pursued, and holiness is a way of life.

Department Mission

As followers of Christ, our mission is to nurture servant scholars who critically and empirically evaluate social systems, cultural patterns, and basic human needs to constructively engage as agents of hope with individuals, families, and communities.

Social Work Program Mission

At its core, the purpose of the social work program is to prepare competent social work professionals who are motivated to gracefully serve others as an expression of their faith. In the context of the intersection of the goals of the University and those of professional social work practice, this mission is further articulated:

The mission of the baccalaureate social work program is to develop competent professionals who are committed to serving others through acquisition and integration of the essential knowledge, skills, and values that form the foundation of generalist practice in the social work profession; who are motivated to promote social justice; and who understand that a Wesleyan perspective, a desire for continuous personal development, and respectful engagement in the community that empowers others are integral components of the means for relating to God through service.[1]

COURSE SCHEDULE AND ASSIGNMENTS

- *Oral Presentation of a Field in the Social Work Profession:* Social work requires people to network or connect with each other. Our networks are one of our most valuable assets as social workers. As a result, we will begin to develop our professional networks from the start of our education. The goals of this assignment are: to identify areas of professional interest; begin the development of a professional network; improve planning and communication skills; develop the ability to present important information to key partners. The assignment will

require identifying and interviewing a social work professional. It is important to identify a professional from a field of social work practice who sparks your personal interests. Once the professional has been identified and interviewed, a 12-minute presentation outlining the field of practice, the path the professional took to their chosen field, and the insights gained from the interaction will be presented October 8th, 10th, and 12th. These are formal presentations. Dress and behave professionally. Attending the days your colleagues are reporting is a sign of respect for their hard work and is mandatory. Absences without prior approval on the days of reports will impact your final grade.

- *Mid-term Exam:* A take home mid-term exam consisting of brief answer and essay questions covering all of the content up to the class prior to the exam will be posted on Canvas on Wednesday, October 13th. The exam is due no later than 5:00 PM, Thursday, October 17, 2018. Try to get it done before break so you can relax!
- *Group Action Project:* The class will be responsible for identifying, planning, and implementing a project consistent with social work and Christian values. Students will be entirely responsible for the project. The group must document the steps and the processes involved in taking the project from vision to reality. You are strongly encouraged to begin the discussion of the project early to ensure its completion by the first week of December. A one-page reflection describing the project and assigning yourself and your fellow classmates a grade reflective of your efforts is due no later than one week after the completion of the project, no later than December 7, 2018.
- *Social Work Pioneer Paper:* A goal of this course is to expose us to the history of the profession. Many social workers have pioneered new areas of intervention and practice. Each student is expected to select a social work pioneer and write a formal research paper on the pioneer and their contributions to the field. This paper is historical in nature. Students are expected to use both primary and secondary sources for the research; thus, while the internet can be a great resource it is not considered an adequate source for this kind of paper. The paper should not exceed 10 doubled spaced pages, using a 12-point font. Page borders must not be less than 1 inch. All references must be in the format of the American Psychological Association. The paper is due November 30th, 2018. In addition to the paper, a 7-minute presentation of the outline of your paper will be presented Friday, December 14, 2018, 7:30 to 10:00 AM. A listing of pioneers can be found at www.naswfoundation.org/pioneers/default.htm, California Social Work Hall of Distinction <http://www.socialworkhallofdistinction.org/honorees/>, or in Volume 3 of the *Encyclopedia of Social Work*.
- *Participation:* Participation will be gauged by assessment of the reading assignments through periodic questions on Canvas, involvement in class activities, and preparedness and engagement in discussion. Mere attendance does not count for participation. Canvas questions will be graded with 0 – not submitted, -- -- Submitted with minimal effort, V – Average – a thoughtful response with elements of the reading incorporated throughout, + -- exceeds all expectations. Class participation grades will be determined proportionally to the assignment grades.

STATE AUTHORIZATION

State authorization is a formal determination by a state that Point Loma Nazarene University is approved to conduct activities regulated by that state. In certain states outside California, Point Loma Nazarene University is not authorized to enroll online (distance education) students. If a student moves to another state after admission to the program

and/or enrollment in an online course, continuation within the program and/or course will depend on whether Point Loma Nazarene University is authorized to offer distance education courses in that state. It is the student's responsibility to notify the institution of any change in his or her physical location. Refer to the map using the below link to view which states allow online (distance education) outside of California.

NOTE: The following policies are to be used without changes:

PLNU COPYRIGHT POLICY

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

PLNU ACADEMIC HONESTY POLICY

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty should follow and students may appeal using the procedure in the

university Catalog. See [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information.

PLNU ACADEMIC ACCOMMODATIONS POLICY

If you have a diagnosed disability, please contact PLNU's Disability Resource Center (DRC) to demonstrate need and to register for accommodation by phone at 619-849-2486 or by e-mail at DRC@pointloma.edu. See [Disability Resource Center](#) for additional information.

PLNU ATTENDANCE AND PARTICIPATION POLICY

Regular and punctual attendance at all classes is considered essential to optimum academic achievement. If the student is absent from more than 10 percent of class meetings, the faculty member can file a written report which may result in de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university drop date or, after that date, receive the appropriate grade for their work and participation. See [Academic Policies](#) in the Undergraduate Academic Catalog.
