

Chapel Assessment 2016/2017

In the absence of a Chaplain there was no formal end of the year assessment utilized for the chapel experience. There was one new program offered this past year with the title of "Branch Out". This ran on the Monday's in October. Each Monday there were four options provided for students. The options were: Created Space, Faith Story (live streamed to Liberty Station), Topics and Prayer and Reflection. A survey was sent out to provide feedback on the experience. We received only 120 responses to the survey (please see below). The general response to the survey was an affirmation of the experience being excellent or good. The informal conversations with students' coincided with these conclusions. From this feedback the chapel planning committee is planning to offer this option again in the Fall of 2017.
